- 2.3 The charity will require the bank to provide statements every month or access to electronic statements. These will be reconciled with the bookkeeping system at least every three months and the treasurer will spot check that this reconciliation has been done at least twice a year, sign the reconciliation document accordingly. - 2.4 The charity will not use any other bank or financial institution or use overdraft facilities or loan without the agreement of the trustees.

3. Receipts (income)

All monies received will be recorded promptly in the bookkeeping system and banked without delay (note this includes sundry receipts such as payment for telephone calls, photocopying, etc.). The Charity will maintain files of documentation to back this up.
