SKYDIVE FOR OUR DEMENTIA CHOIR

We want to give you the opportunity to experience something out of this world, something challenging, exhilarating and thrilling. Step in, the skydive!

To make it even easier, if you raise a minimum amount of sponsorship for us, we will pay for your skydive! So if you raise our minimum £450.00 fundraising amount, you dive for free! How cool is that?!

TANDEM SKYDIVE

- In the tandem skydive you are harnessed to a professional parachute instructor at all times.
- You will complete the jump and the training in one day
- You will jump from an altitude of 10,000 feet
- You will ride the parachute to the ground after you have been taught how to steer onto the dropzone

SPONSORSHIP TARGETS AND DEADLINES

We ask that you raise the minimum fundraising amount of £450.00 for your skydive two weeks prior to your jump date.

This is the point at which our event partner invoices us for the cost of your jump. Then Our Dementia Choir are able to cover the cost of your jump and still gain around 45% of your total fundraised amount (if the minimum). Of course the more you fundraise, the higher the percentage for our charity!
